THE ELECTION OF MEMBERS

Proposers and seconders are encouraged to introduce their candidate to other Members of the Club at the earliest opportunity and gain support for their candidate.

Following the submission of a fully completed application form and full supporting letters from the proposer and seconder, the application will go before the Membership Committee for consideration. At this stage a candidate may be asked to attend an interview with the Membership Committee.

At the next stage, upon initial approval, the candidate's name is displayed on the Club noticeboard for a minimum of two weeks. This will give any Members who have met the candidate, and who approve of the application, the opportunity to add their signature of support or otherwise. The application will then go to the Committee for final consideration.
